SOME NEW THOUGHT IDEAS

**God is not.....
God is within...
Not fate.....
Not alone.....
I do and give....**

Edwene came to believe. . .

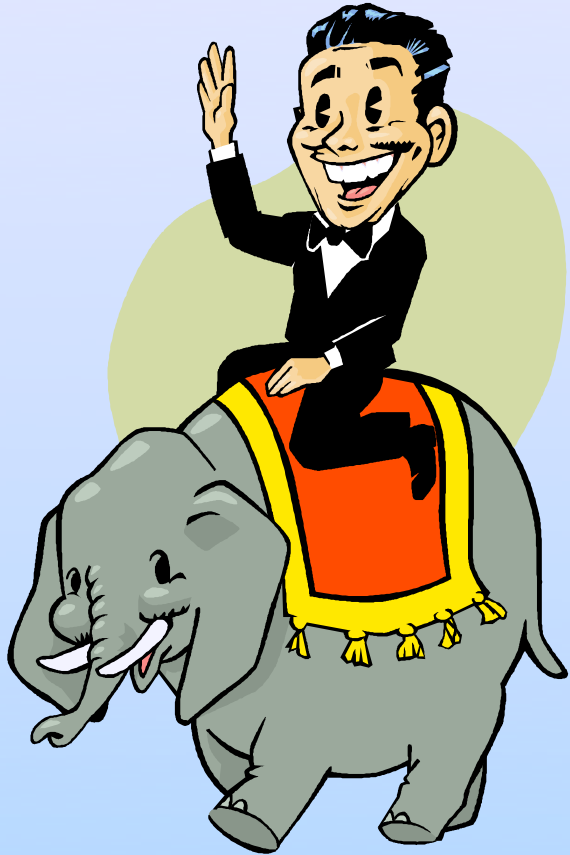

- That our challenge & goal is NOT to fight a universe that wants to withhold, but to **ACCEPT** the good that is here.
- The presence and power of God is within each.
- **Prosperity is the consciousness of God everywhere present.**

1. What were you taught about money in your family of origin?
2. What do your family & friends TODAY say about making/having/spending money?
3. What have YOU concluded for yourself about making/having/spending money?

Chapter 1 – Mastering Money

Money is a means to an end, NOT the end itself!!

What messages have you gotten about spirituality & money?

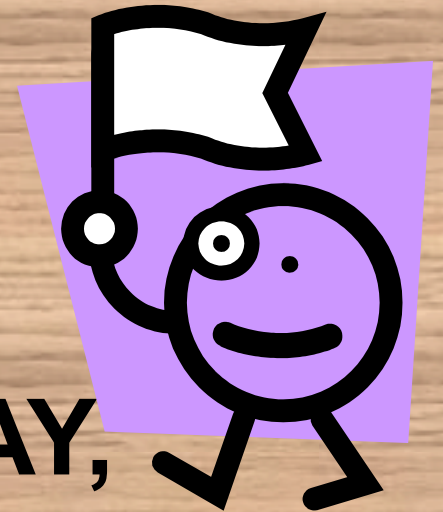

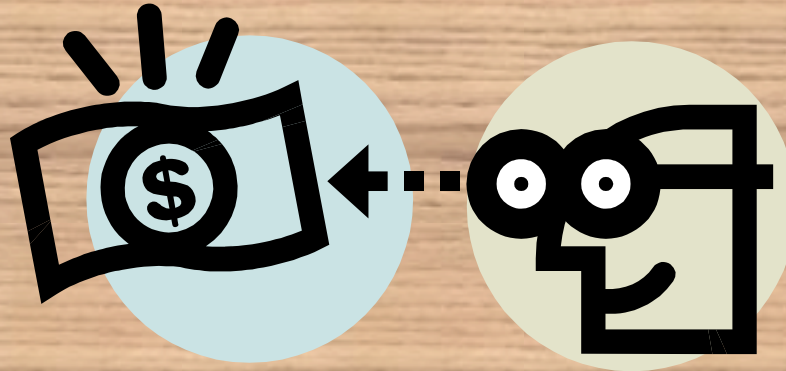

Accept your desires!

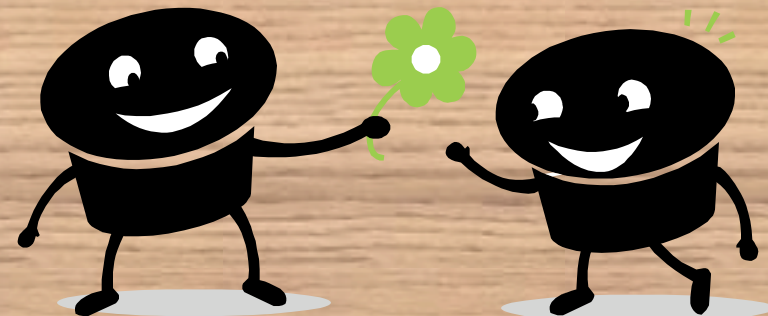

What is GREED?

What is NOT greed?

**Money is like love –
the more you GIVE AWAY,
the more you
HAVE!**

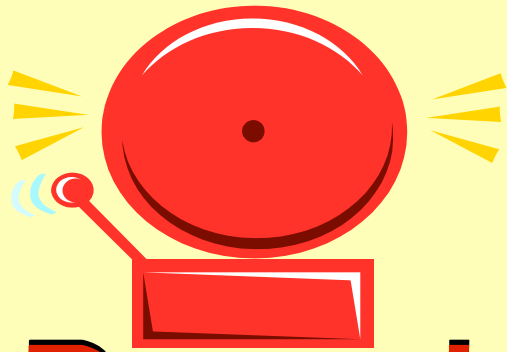

**Money is good; it is
divine flow.**

**Bless it every time
you receive or give
it!**

**Keep your thoughts
abundant &
grateful!**

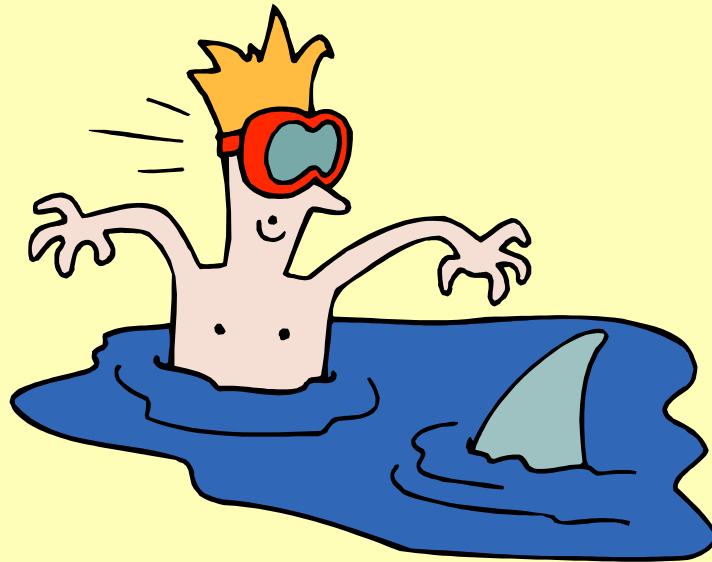

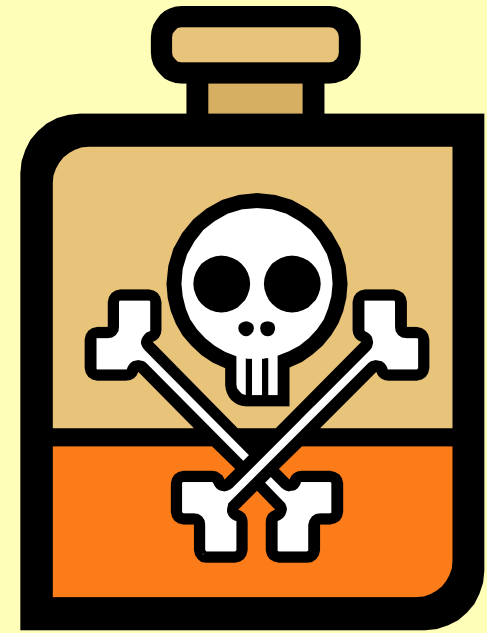

THE

Danger!

OF MONEY COMES – WHEN?

The Bible and Prosperity

- “It is your father’s good pleasure to give you the kingdom.”
- Jesus urged us to ask for what we want and not to be afraid!
- Jesus was not poor; everything he needed was provided for him in abundance. Stayed in good homes, ate good food, had a seamless garment.

We must learn to ask

What does this really mean?

How do we ask?

What do you think
would be a powerful way
to ask for what you want?

'HOMEWORK'

- Pages 26 & 27 - Choose an affirmation that rings “true” for you – one you want to embed in your consciousness this next week.
- Write it 100 times next week,
say it aloud to yourself 100 times each day,
write journal-style what it would mean for you to truly believe & live that truth.
- Read Chapters 2 & 3
- Report on ‘your pages’....
