Metaphysical Jeopardy!!

What is the question
to these answers???

The Realm of Divine Ideas as well as
the orderly adjustment of these Ideas
in the mind and body of humankind.

The Absolute. It is omnipresent,
limitless, changeless, and pure Being.

Relative to us, it is our growing and unfolding consciousness of Truth and Oneness.

The Kingdom of Heaven, a state of
Consciousness.

(A dimension)

The Garden of Eden, the Kingdom of
Heaven, and the Universal Cosmic
Ethers...

The Realm of mental perception from where one can see with the Spiritual Eyes of the Christ Mind. The Realm out of which we can manifest our good.

The State of Consciousness where all the possibilities of growth reside. It is the Realm from which we express Divine Ideas through the orderly adjustment and process of Divine Order.

Mind, Idea and Expression.

The Dimension of Universal Mass of
infinite potential and possibility.

The Dimension with motion.

The Dimension where elements
separate from Universal Mass or
return thereto.

The Dimension where all that takes place is the expansion of the three-dimensional world as well as resolving back into its component parts.

Width, length, and breadth.

Where everything seen comes from...

“....the unseen.....”

The Realm of Divine Ideas as well as
the orderly adjustment of these Ideas
in the mind and body of humankind.

Progressing from or resolving into...

The conscious release and use of the
Elements and Forces of the Fourth
Dimension.

To utilize our Power and Presence that
is the glory of Divine Mind in the
service and edification of humankind.

It creates/ideates.

It is made up of Divine Ideas.

Accessed through prayer and
meditation.

The first step in Creation.

The second step in creation, through which we affirm the reality of Divine Ideas as our Divine Inheritance.

The fourth step in creation where we choose what to manifest and become willing to do what is required to manifest our highest good.

The fifth step in creation through which we are able to make wise and appropriate decisions.

The masculine, expressive side of
every Divine Idea.

The feminine, receptive side of every
Divine Idea.

The sixth step which is symbolic of the wholeness inherent in our Spiritual Nature.

The seventh step which is the realization and assurance that our manifestation is forthcoming.

When we have realized something in consciousness and then it manifests itself in the outer.

Doing this makes it easier and easier
to demonstrate.

In all things, we must put this first.

We do this prior to our demonstration.

The activating Faculty that is the
impetus of moving Divine Ideas from
the unseen to the seen.

The ability to believe and spiritually
intuit.

This law enables Divine Ideas to be manifested in the relative realm.

This should permeate all our human desires and efforts; a part of all our motivation.

The Power that has the ability to
harmonize, unify and attract
ourselves to good.

What we claim and declare to ensure perfect order and wholeness in all our demonstration.

What we exhibit when our free and open minds are stayed on Oneness, Divine Mind.

Identifying with the negative or
becoming fearful.

The attitude we take on in order to be able to use all of life's situations to demonstrate good.

The antithesis to the state of Oneness.

This blocks demonstration, is held against ourselves, and keeps us focused on the outer and not on the inner.

These are about changing our minds
and resolving to think and act from
and according to Divine Ideas and
Divine Law.

This principle is always present,
regardless of appearances.

This practice illumines our mind and
expands our consciousness.

The font from which all guidance,
inspiration and illumination flows.

A continual process of praise,
thanksgiving, and claiming what is
already true in Divine Mind. The
claiming of Divine Ideas.

Keeping an idea or a goal securely in
mind.

A deep, inner conviction of Truth.

When we realize Divine Ideas and or thoughts about Divine Ideas from the core of our Beingness and we know that we know it is done.

The seeds of what we want to
manifest. They have their origin in
Divine Ideas.

Used to brush away obstacles in mind.

Used to claim what is already ours in
consciousness.

These two practices help us to remain focused on the truth that Divine Mind is our Truth, Source, and Supply.

A Power we use to stay the course in spite of outer appearances.

Manifested from the Divine Idea of it,
and by and from collective and
seeming individual consciousness.

What we must do if we are to express
the fullness of our Beingness.

This reveals health and wholeness.

This directs how the energy within our cells functions and is sustained.

This directs how Life acts upon
Substance.

This attracts those ideas and qualities
that help ensure the fullest
expression of life.

The result of keeping our thoughts
centered on the Divine Idea of Life.

The Principle that underlies and
pervades everything.

The activity of mind action, and mind
idea-expression, make these three
things manifest.

The pure potential for health and wholeness that is inherent in humankind.

The Realm of Divine Ideas as well as
the orderly adjustment of these Ideas
in the mind and body of humankind.
