I AM NOW in the presence of pure Being, and immersed in the Holy Spirit of life, love and wisdom.

I acknowledge Thy presence and Thy power, O blessed Spirit; in thy divine wisdom I now erase my mortal limitations and from Thy pure substance of love bring into manifestation my world, according to Thy perfect law.

Charles Fillmore

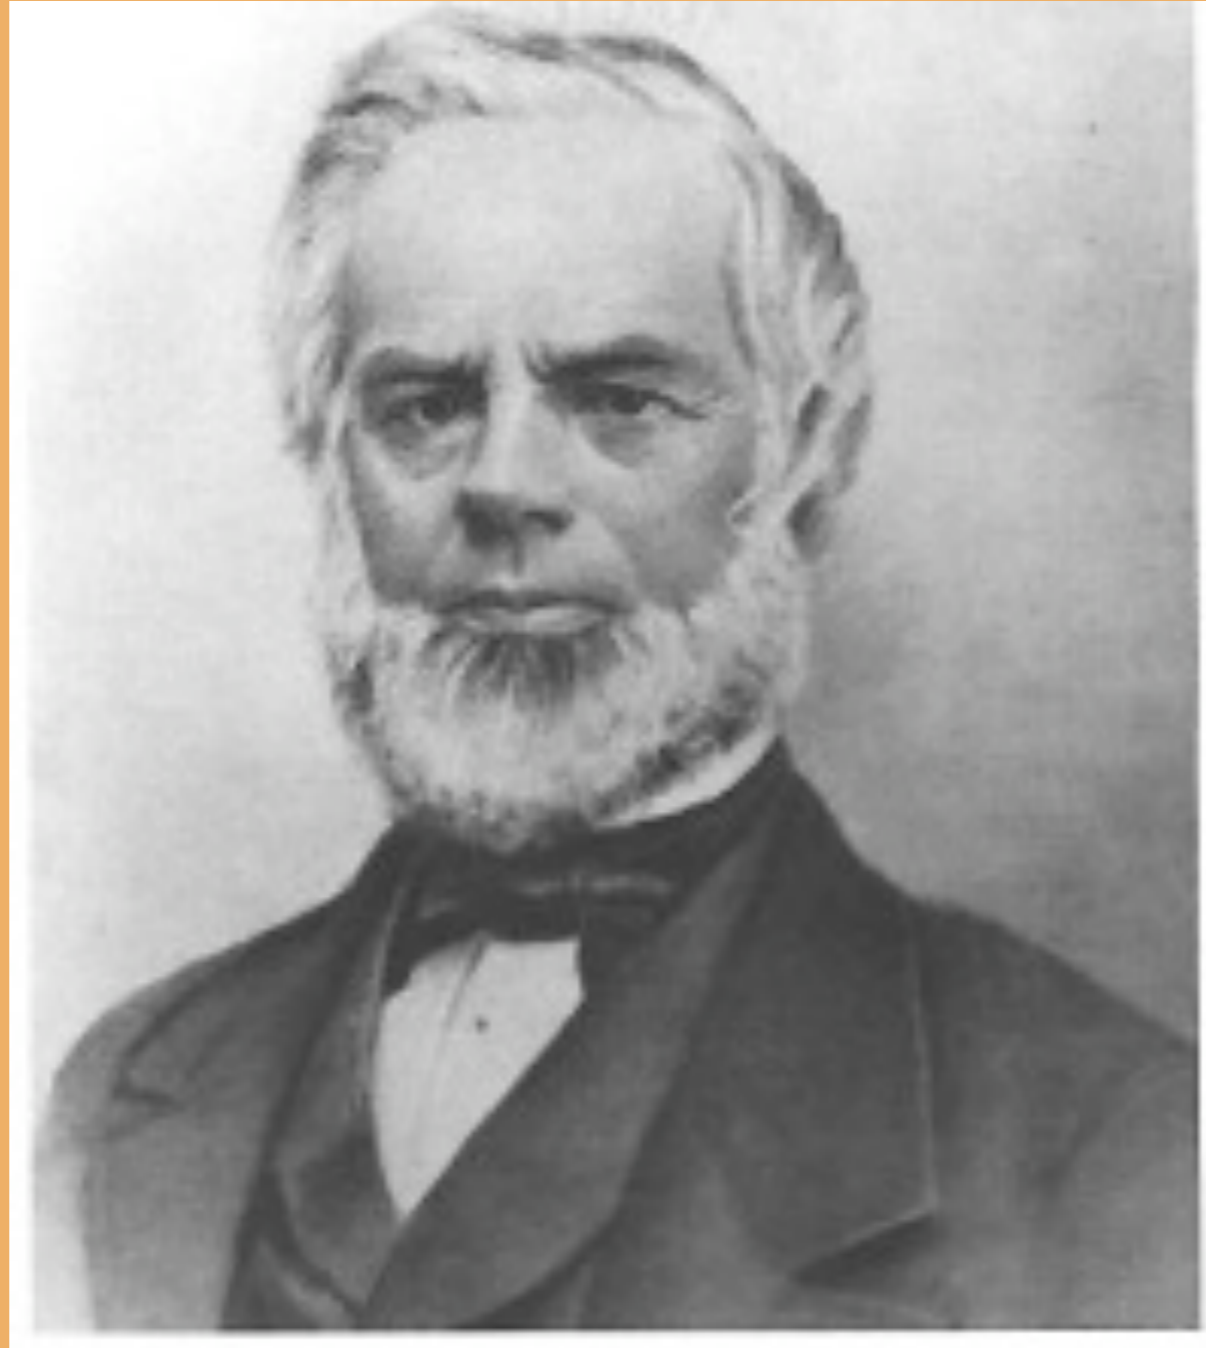

*The Sources of
New Thought*

Phineas P. Quimby, Founder

P. 53 (Quimby)

“Man is made up of truth and belief; and if he is deceived into a belief that he has, or is liable to have a disease, the belief is catching and the effect follows it.”

“...that man has the pwer to create ideas and make them so dense that they can be seen by a subject who is mesmerized.”

P. 58 (Quimby) The
Remedy for Error Belief

“...this I do partly mentally, and partly by talking till correct the wrong impression and establish the Truth, and the Truth is the cure.

Quimby...

- 1) *Never accepted payment until the healing occurred.*
- 2) *Believed medicine and traditional religion caused more disease than they cured.*
- 3) *Developed “absent treatment,” the basis, today, of Silent Unity.*

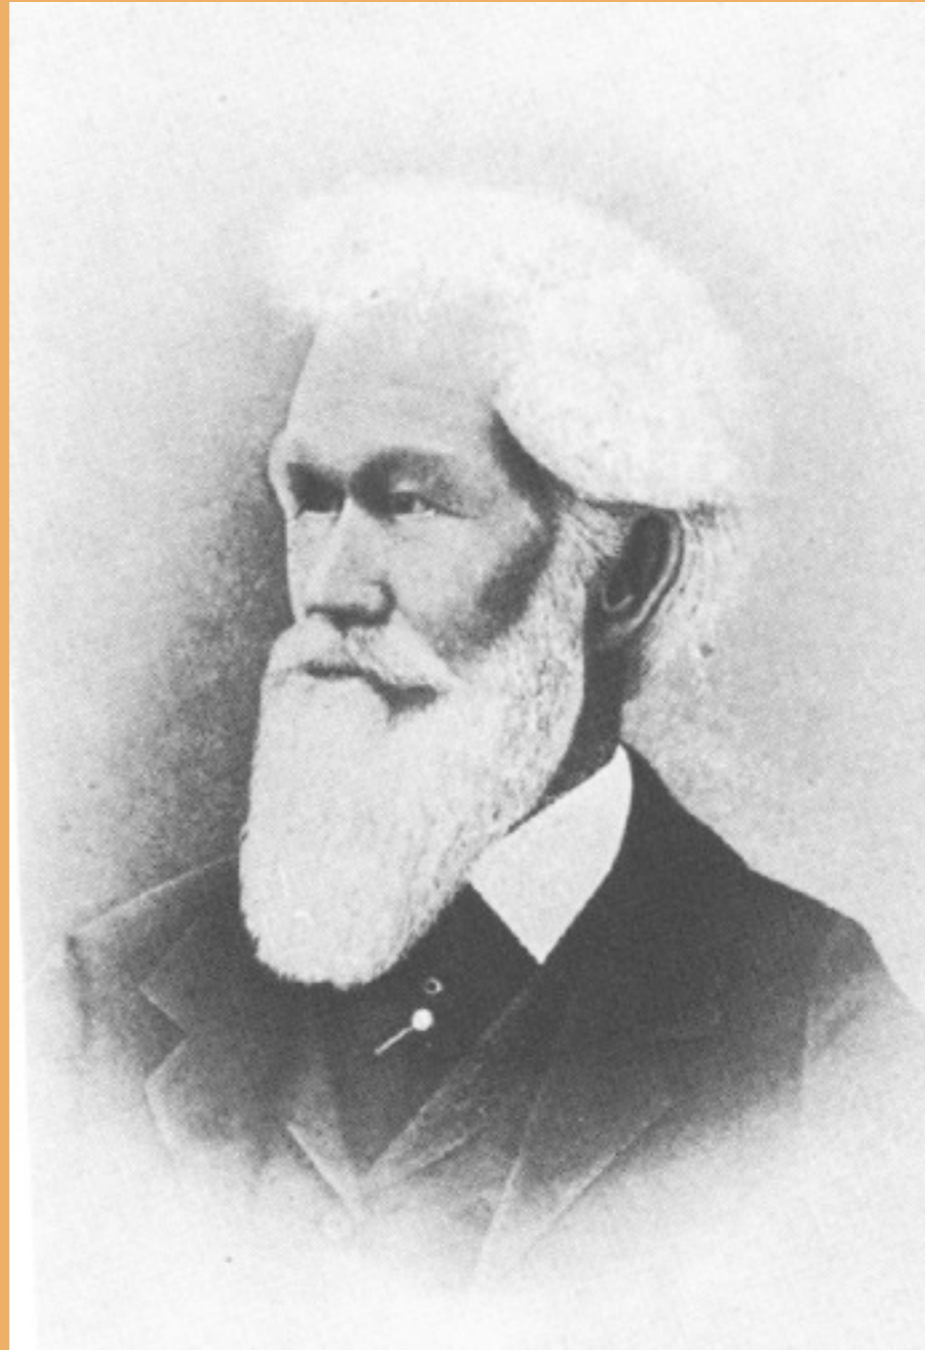

Quimby...and God

“My object is to correct the false ideas and strengthen the truth. I make war with what comes in contact with health and happiness, believing the God made everything good, and if there is anything wrong it is the effect of ourselves, and that man is responsible for his acts and even his thoughts.”

Warren Felt Evans

1817-1889

Warren Felt Evans

1817-1889

- ★ Early belief in the efficacy of laying on hands as part of healing treatment.

Warren Felt Evans

1817-1889

“...the spiritual emanation or those that proceed from our affectional and intellectual states are continually flowing from our bodies, and from the palms of our hands more copiously than from any other part of the body...”

Warren Felt Evans

1817-1889

★ Swedenborg's ideas had a great influence on his work. [He believed in an angel world from which there may flow into our earthly minds that which may be of great help.]

Warren Felt Evans

Death and Human Immortality

“Immortality depends on the will of God. The immutability of that will is the ground of its certainty...because he lives, we live also...by virtue of our being finite receptacles of the one and only life.”

Warren Felt Evans

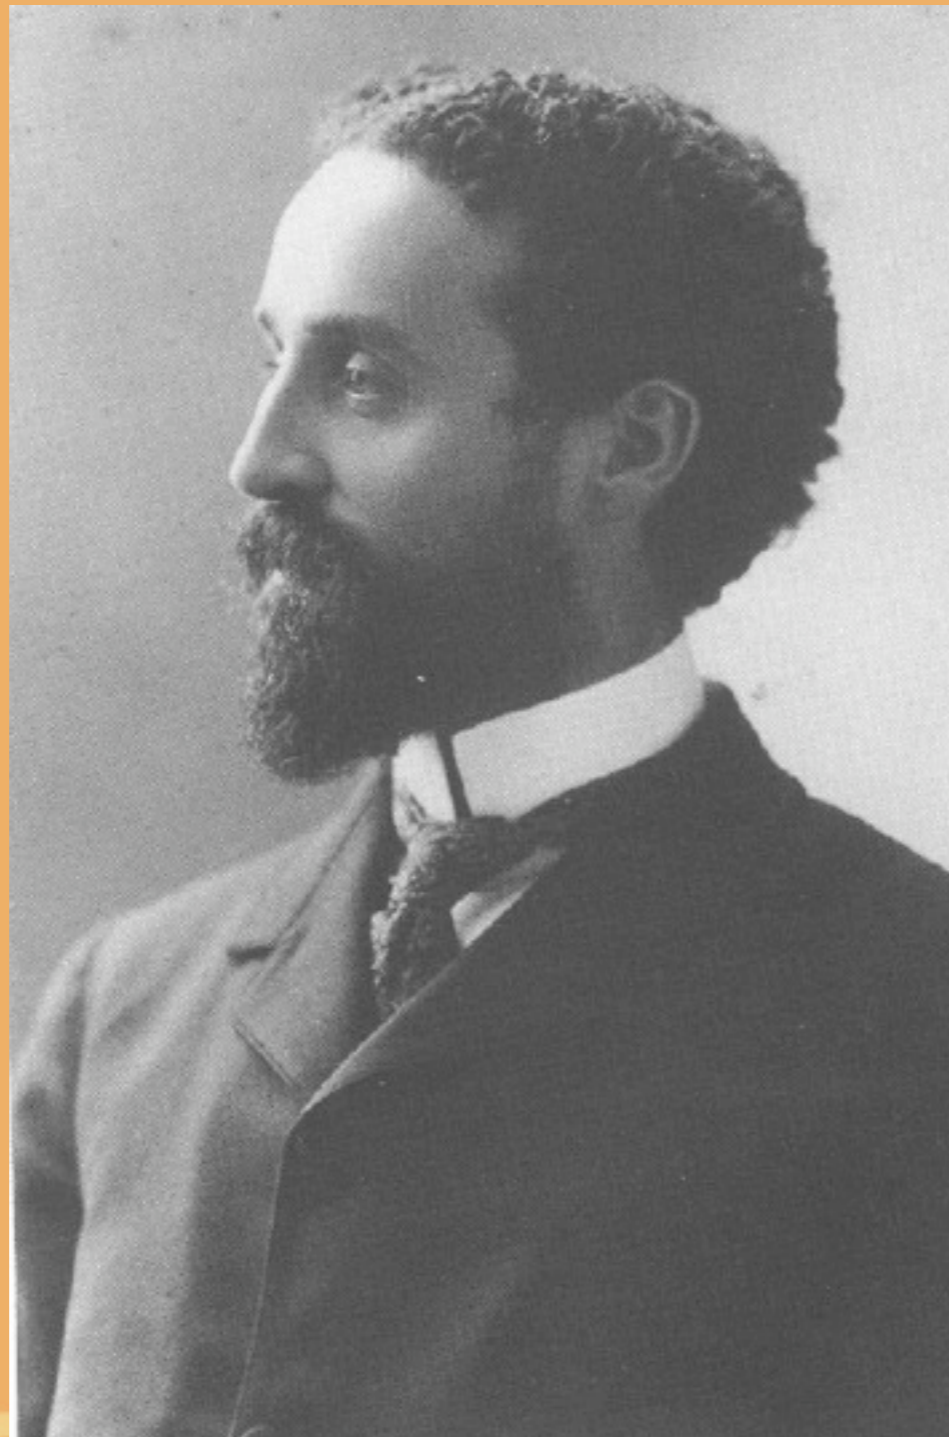

Disease

“Disease must be considered as the translation into a bodily expression of a prior inharmony of thought and feeling. All disease resolves itself into this in the last analysis.”

Julius and Annetta Dresser

1838-1893

Annetta G. Seabury Dresser
Lent by Dorothea Reves

Julius and Annetta Dresser
