

## 2021 Membership Covenant Renewal

I understand and am aligned with the basic teachings of Unity. I understand that Unity is based on the life and teachings of Jesus Christ and other enlightened master teachers of other faiths.

I will make my spiritual development and relationship with God a priority in my life.

I will do my part to actively support the Church's mission of teaching, motivating, empowering, and supporting people in their growth and transformation through the application of spiritual principles.

I will join my fellow members and congregants in participating in the creation of a warm and accepting atmosphere where love is felt and lives are changed.

I will extend myself with loving warmth to newcomers to my Church home and to those people attending whom I do not know.

I will include the Church in my daily prayer life.

I will serve this ministry in ways I am able, thereby strengthening the whole family while learning the value of selfless service to others. I will serve as a volunteer at least periodically, thereby learning the value of selfless service to others while integrating and committing myself more fully into this spiritual community.

I will include the church in my financial planning with continuous systematic giving extended joyfully and lovingly.

I will speak with loving, constructive purpose about the church, its leaders and my fellow congregants.

I recognize that my presence and participation at church services and activities is a contribution and gift that enhances the experience to all, and I will attend either in-person or online as often as possible.

If I experience personal upset with the Church or a congregant, I will seek guidance from Spirit, then speak with and resolve any upset with the person(s) involved in accordance with the principles of "Agreeing and Disagreeing in Love." If I am unable to do this on my own, I will ask for support and reconciliation assistance from the minister and Board of Trustees.

Together with the ministry leaders and my fellow members and congregants, I create, as the Presence of God, the on-going, dynamic life of Unity Church of Hawai'i. I recognize that together we help to keep its doors open and expand its programs and services, thereby blessing and serving thousands of others like myself. Through membership in Unity, I honor the Divinity at work through and as Unity Church of Hawai'i.

***By completing and signing this covenant, I agree to abide by and be held accountable by the essence and spirit of this Covenant and Unity Church of Hawaii policies.***
